

East Mississippi Baptist State Convention, Inc

Rev. Willie. E. Jones, President

****Hurricane Harvey Disaster Relief Updates****

At the request of our National President, Rev. Dr. Jerry Young, East Mississippi Baptist State Convention has responded to the call to aid in the Catastrophic Hurricane Harvey relief. President Jerry Young asked each state convention to assist with a financial donation so that our National Parent Body could assist and aid those affected by the storm. East Mississippi responded with the requested amount and we look to continue to aid as the need arises. If any churches desire to contribute a financial donation to help assist in these efforts, you may mail your contributions to:
